Subject: Re: Thank You

Mike- you have been an amazing leader and I know I can speak for all of the employees I have worked with that you are very respected. I thank you personally for every opportunity I have had here.

I wish you many blessings in your life, and that you do not let this get you down-keep your chin up, you deserve the best. I will miss your encouraging emails and your leadership, you are one of the greats.

Kind Regards,
