Subject: RE: Thank You

Hello Michael,

I never met you personally but thought you should know out of all the ceo's I've worked for you were the best one. Always upfront and honest in your emails whether good news or bad. I appreciate that very much. Life is full of ups and downs and although you maybe feeling down right now, you still have a long life ahead of you to do many great things. I wish you the best. Thank you.
