Dear Mike,

I am in the Regulatory Reporting (TFR). I have been here just about one and a half years. But during this length of time that I am here, I can tell you are a good leader. I know that you have done more your best for us and for the Bank. What happen today does not take away any part of the respect I have for you.

No doubt that it is hard for every one that loses their job. But I can't even imagine how hard it has been for you. My heart goes out for you and your family.

Though I was not here during the good years, thank you for all the good things you have done for the employees in the past.

Best wishes to you...

Respectfully,
