Subject: Re: Thank You

Mr. Perry;

I have been in this business only about 9 years, and have been with the small mom and pop shops and the big guys, and by far you have been the most hands on leader I have come across, so I think it's you who deserves the thanks for the leadership and guidance you provided all of us. It has been a pleasure to be part of your team.

I wish you luck and success in your future endeavors.

Sincerely,
