

Subject: Thanks

Mike, I have been remiss in writing you as I wasn't completely sure how to articulate my appreciation for all that you have done for me and my family. I just wanted to let you know that you have been an amazing mentor to me and I learned more in my eight years with you than I ever could have hoped for in a lifetime. Your resolve through the tough times and drive through the good were inspiring, and my only regret was that we didn't have more time to accomplish the things I know we were capable of doing. I can't imagine how difficult the last few months, but especially the last four weeks has been for you. Just know that you are constantly in the thoughts of my family and me. I wish you all the best through the trying times and we will always be there for you. All my best,
