Mr. Perry

Good day to you and I hope all is well....

I just want you to know that you had and you still have a lot of dedicated employees who are waiting to work with you again... We all depend on you and waiting to jump in and work with you again.....Mr. Perry .... you made Indymac the empire that made a lot of people proud to be part of that empire.... I am in touch with a lot of your dedicated employees who beleive in you and that you will come back with another venture very very soon .....Mr. Perry you just say jump and we won't ask how high....

Please ... don't let what happened bother you at all... (it was not your fault) ....

\*\*If anyone can make a strong comeback that will only be YOU...We are all waiting....hopefully that will be soon, very very soon...Don't forget You are the wizkid...We are waiting...

Have a wonderful day...
